Sept 28 - JV FB vs Braymer 6 pm
Sept 29 - MS FB @ Cameron 6 pm
- V/JV/MS SB vs Hamilton 5:30 pm

Letter from the Superintendent

Welcome back to school! School begins on Wednesday, August 19th. Open house is Monday night August 17th. The 2009-10 school year will be an exciting and rewarding experience for your child. As superintendent of schools, I am looking forward to working with students, staff, parents, and patrons during the upcoming year in achieving new academic goals, continuing on past success, and promoting school and community pride, school performance, and academic and activity achievement. This requires everyone working together in unison and keeping the lines of communication open.

In accordance, I want to make everyone aware of the Polo R-VII School District website at http://polo.k12.mo.us which is updated daily and is an excellent resource to stay up on current school events. In addition, the Polo R-VII School District has available "School Reach" or the mass communication system for school emergencies, school closings, and other announcements. School closings will also be broadcast over the local TV and radio stations as well.

Furthermore, the Panther Pride News is a monthly publication accessed through the school's website and quarterly paper publications are mailed to all district patrons. In today's technology world, all staff may be contacted via e-mail (addresses are located on the website) or contacted at school through their respective building offices. As parents and guardians, please stay informed, stay positive, and support your child's school and education. The public school system is not perfect, but without your support we realize, as educators, our jobs become much more difficult!

Remember, the United States is the only country in the world which provides such a mass education system for all children. Students need to realize, education is an opportunity, not necessarily a privilege. Encourage your child to get involved, stay involved, and be prepared to do the best they can! This is the minimum we can expect from students, and I expect this as well from our staff; however, working together - the sky is the limit!

We have several new staff members teaching and working in the district this year. They are: Bridget Zabel-Adaptive Physical Education and Special Education, Andrea Henderson-Elementary Music, Becky Ross-Middle School Social Studies, Dave Roberts-Head Maintenance Supervisor, and Kyle Ross-High School Principal. Please welcome them to the school district. Secondly, in this Panther Pride Edition, the new tobacco free school environment policy appears. Please be aware of the new policy and help the district promote a healthy student environment.

In closing, the school start time has been moved up to 8:20 AM. This does not change the morning bus schedule or student arrival time at 8:00 AM. Please remember, though, school then will be dismissed at 3:00 PM. Let's make the 2009-10 school year a great learning experience together! If you have any questions, I may be reached at 660-354-2326.

Panther Pride in Performance, Mr. Newhart Superintendent Polo R-VII School District

Subscribe Today for the Rural Reporter Polo Edition. Mail in to P.O. Box 233, Polo MO 64671 or call in at (660) 255-4300 to place your subscription today for the Rural Reporter Polo Edition. The cost is \$26.75 for a full year. All that is needed is your name, address and billing information.

Postal Patron Polo, MO 64671

NONPROFIT U.S. POSTAGE PAID PERMIT NO. 31

From The Elementary Principal Beverly Deis

It is hard to believe the 2009-2010 school year is upon us! I will be so excited to be back at school and I hope the children are too. Tentative class lists for the 2009-2010 school year are included in this edition. If your child is not listed, please call the school.

I would like to welcome Kyle Ross as the new High School Principal. Mr. Ross will bring enthusiasm and pride to the school district. He is going to be very busy because he is assisting with football and wrestling. Other new additions to the district this year include: Mrs. Becky Ross, Mrs. Andrea Henderson, and Mrs. Bridget Zabel. Mrs. Ross will be the Middle School Social Studies teacher and will coach the varsity softball team. Mrs. Henderson is the new vocal music teacher for elementary and high school. Mrs. Zabel will be teaching some physical education classes, and will work in the elementary special education classroom. Mrs. Zabel will also be the assistant varsity girl's basketball coach.

This year, the elementary will be focused on "Reaching for the Stars" with monthly character education themes. The theme for August is "Respect." Respect will be taught and discussed in every classroom during the month of August.

As we focus on respect and "Reaching for the Stars," the elementary staff and students will be encouraged to continue "Panther Pride" with our STAR board. Our goal is for PreK-6 students to be successful and all students can be successful when it comes to "Panther Pride." Open House will be held on Monday, August 17, from 6:00 to 8:00 p.m. Please mark your calendar and make every effort to attend open house so you will be able to meet your child's teacher. Bus transportation information will be available at open house, so be sure to stop by the office for any questions that you might have. Cub Construction Preschool Open House will be held from 8:00 - 3:00 on Wednesday, August 19 with preschool beginning on Thursday, August 20.

I am looking forward to seeing all of the students and parents again! I hope you have a safe and wonderful remainder of the summer and I will see you on August 17 at Polo R-VII Elementary School.

Preschool Teacher is Presenter

Bridget Pipes, Director and Lead Teacher of the Polo Cub Construction Preschool, was a presenter at the Missouri Preschool Project Summer Conference on July 28 and 29 in Columbia, Missouri. The presentation focused on interest-based projects performed in the preschool classroom. Miss Pipes shared how the children choose different projects to do as well as how they complete them. She demonstrated the thought process identifying a relevant project for preschool students and she discussed how to plan to meet different learning goals. At the conclusion of her presentation, Miss Pipes shared documentation of children's work, class photographs, and student work samples. Mrs. Beverly Deis, Elementary Principal, was able to attend the presentation on July 29.

From The Desk of the High School Principal Kyle Ross

Welcome back to school Panthers! My name is Kyle Ross and I will be the new high school principal here at Polo. As many of you know, I will not be coming to Polo alone. My wife Becky, who is the new middle school social studies teacher, and our two year old son Tommy are ready to be Panthers.

I grew up in St. Joseph, MO and graduated from Benton High School in 1991. I continued my education at Benedictine College. I was very fortunate, in the fact, that I received a top notch education, while I was able to continue to do something that I loved, play football. I earned a B.A. in secondary social studies, and minors in education and political science. I have been in education since 1996, as a teacher and as a coach. I spent my first seven years in education in Kansas. Seven years ago, I was given the opportunity to move back closer to home in Missouri. My last six years of teaching and coaching were spent in Rock Port. It has been over these last few years that I have come to have a great appreciation of the rural values that still exist in our smaller public schools. In 2006, I earned my masters degree in secondary education from William Woods University. I had a specific type of job in mind when I started to take my masters classes. I wanted to find a rural district that still valued education and extra-curricular activities, and appreciated the honest hard work and effort that goes into the highest level of educational achievement. I believe that Polo is that place.

Some changes have been made in the evolution of the Polo School District. Last year, Polo received a great honor, "Distinction in Performance", and as the high school's educational leader, I would like to continue to raise the bar every year. Every year the standards become harder to reach so in order to accomplish this goal I am asking the staff, students, and community to buy into our school system. We all have to accept responsibility for ourselves and how our actions affect "OUR" high school. I believe that the students at Polo High School are very fortunate to have a veteran staff and always improving facilities. These two things alone show a commitment to the students, patrons, and families of Polo High School. Once again to achieve Panther Pride and Excellence, we will all have to invest in our children's future and come together to achieve our common goal of creating the best Polo Panthers that we can send out into the world.

I am looking forward to the 2009-10 school year. If you have any questions, I may be reached at 660-354-2524. GO PANTHERS!!

Summer School

The Polo R-VII Summer School ended with the presentation of "History in Our Own Backyard." Hosts Brandon Richardson, Blake Bates, Jed Wilson, Caleb Bolling, Jasmine Murray, and Danielle Allen welcomed all guests and reviewed the whole summer school program through the use of "pictures." Students in all grade levels entertained the audience through snap shots of what occurred during summer school. The kindergarten class sang "She'll Be Comin' Round the Mountain" and "The Green Grass Grows all Around." The first graders performed a "bug" skit and the third graders did the "multiplication rap" and a line dance. The second grade students did the "Twist" and the "Hokey Pokey." Older students entertained the audience with a variety of line dances, and square dances accompanied by music played with the spoons, tambourines, and washboards. The night ended with the Virginia Reel performed by students in grades 7-9. Parents commented it was one of the best performances ever and Mrs. Deis said all of the students and staff are commended for their dedication and hard work in making the final production a success.

POLICY ATTACHMENT D

PUBLIC RELEASE

DATE July 1, 2009

The Polo R-VII School District today announced its revised free and reduced price policy for school children unable to pay the full price of meals served in schools under the National School Lunch Program and the School Breakfast Program.

Local education officials have adopted the following family-size income criteria for determining eligibility:

Household Size	Maximum Household Income Eligible for Free Meals			Maximum Household Income Eligible for Reduced Price Meals		
	Annually	Monthly	Weekly	Annually	Monthly	Weekly
1	\$14,079	\$1,174	\$271	\$20,036	\$1,670	\$386
2	18,941	1,579	365	26,955	2,247	519
3	23,803	1,984	458	33,874	2,823	652
4	28,665	2,389	552	40,793	3,400	785
5	33,527	2,794	645	47,712	3,976	918
6	38,389	3,200	739	54,631	4,553	1,051
7	43,251	3,605	832	61,550	5,130	1,184
8	48,113	4,010	926	68,469	5,706	1,317
Each additional member	+4,862	+406	+94	+6,919	+577	+134

Children from families whose current income is at or below those shown are eligible for free or reduced price meals. Applications are available at the principal's office in each school. To apply, fill out a Free and Reduced Price School Meals Family Application and return it to the school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

Applications may be submitted any time during the school year. A complete application is required as a condition of eligibility. A complete application includes: (1) household income from all sources or Food Stamp/Temporary Assistance case number, (2) names of all household members, and (3) the signature and social security number of adult household member signing the application. School officials may verify current income at any time during the school year.

Foster children may be eligible regardless of the income of the household with whom they reside. A foster child is considered a family of one and only personal use income is counted to determine eligibility. If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for these benefits.

Under the provisions of the policy, the Building Principals will review the applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may wish to discuss the decision with the determining official on an informal basis or he may make a request either orally or in writing to the Superintendent of Schools whose address is: Polo R-VII School District; 300 W School Street; Polo, MO 64671 for a hearing to appeal the decision. Hearing procedures are outlined in the policy. A complete copy of the policy is on file in each school and in the central office where any interested party may review it.

In accordance with Federal law and U.S Department of Agriculture policy, this institution is prohibited from discrimination on the basis of race, color, national origin, sex age or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-6410, or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer.

**New Polo R-VII School District
Tobacco Free Environment Policy**

In order to promote the health and safety of all students and staff, and to promote the effective cleanliness of all facilities and grounds, the Polo R-VII School District prohibits all employees, students, parents, patrons, visitors, vendors, and/or contractual workers from smoking and/or using tobacco and/or tobacco products in all school facilities, official school transportation vehicles and buses, and on all school grounds/buildings at all times, including athletic events, meetings, plus official and non-official school events, functions, and activities.
