 - MAP Testing for 3rd, 4th, & 6th
 - V Track @ Brookfield Relays 10 am
 - MS Track @ Orrick MS Invitational 4 pm
- 22 - NO SCHOOL
- 25 - NO SCHOOL
- 26 - No School if there are no more inclement weather days
 - MS Track @ Lawson MS Invitational 4 pm
- 28 - MAP Reward Trip for 4th-6th
 - FFA Banquet 6 pm in Multi
- 29 - 4th Grade Field Trip to Water Festival
 - V Track @ Mound City Invitational 4 pm
- 30 - Senior Citizens Prom 5-10 pm in Multi

From the Elementary Office

by Beverly Deis
Elem. Principal

Hello Spring! Students and staff are enjoying outdoor recesses on a more regular basis with the improved weather.

Thanks to everyone for their support of our Family Fun Night. This was part of our school improvement plan and it was a huge success. Thanks also for supporting the school at McTeacher Night! It was wonderful seeing students and parents outside of the school setting. Thanks again for helping us help the school!

April 21 marks the ending of MAP testing for grades 3-6 and the end of Stanford testing for grades K-2. I would like to thank the parents for having their children at school on time during this testing "season." Before the tests began, students were entertained as staff members performed "Survivor: The MAP." During the skit students were reminded about important procedures during testing time such as: use only a #2 pencil, erase carefully with a white eraser, read each question carefully, restate the question, etc. Students were also reminded the importance of eating a good breakfast and getting a good night's rest before each testing day. If you are unsure of the exact dates your child will be tested on the Stanford or the MAP, please call the school and we can assist you.

On April 28, students in grades 4, 5, and 6 who scored proficient or advanced on their 2010 MAP tests will be heading to the YMCA at Chillicothe for a day of fun.

The character education word for April is "patience." Other words similar to patience are endurance, tolerance, and lack of complaining. As educators, we should have an abundance of patience and hopefully that patience is displayed to our students. Mrs. Arway, elementary counselor, and classroom teachers will be focusing on patience in the classroom and we ask for your assistance in teaching the students the importance of the character education words. I have no doubt; patient students will be more productive and successful in school.

The Polo PTO has set Friday, May 6 as the date for the elementary field days. We really need parent volunteers to assist with this day. If you are planning on attending to watch, why not be an active volunteer? Please call the PTO President, Penny Copeland, if you can help us out. All volunteers are greatly appreciated.

HELP NEEDED!!

The Polo Athletic Department is working towards acquiring Championship Banners to be hung in the gym for all sports in all previous years. The following list was compiled from all the data we could locate using CRC-GRC records, past yearbooks and other records. The Panther Pride will run the list again for you the public to confirm, agree, and or edit if anyone knows of any discrepancies in the list, years and or activities. This will be a lengthy process and we are asking your cooperation with the effort to honor those teams who have claimed conference, district/sectional and state titles and get them listed on banners and in the gym.

Thank-you
Coach Johnson/AD

Youth Talent Contest Winner

Sarah Thomas, 17, of Polo, was the 3rd place winner in the 13-18-year-old instrumental division of the recent Youth Talent Contest sponsored by the Chillicothe Area Arts Council. Sarah performed a piano solo of Muzio Clementi's Sonatina Opus 36, No.2. More than 40 contestants from 11 communities competed in the contest.

Farm Bureau Essay Contest Winner

Congratulations to Haylie Arthur for winning the Caldwell County Farm Bureau Essay Contest. Sixth graders from five schools in the county competed during "Thank a Farmer Week." Students were asked to review county and statewide statistics to use in their essay, in addition to their thoughts about the importance of farming in today's society. Haylie has been awarded a \$50 savings bond. Way to go, Haylie!

Softball Players Recognized for Academic All State

1st team members- 3.88 or higher
Maddy Misel- senior
Sammie Jo Copeland- Sophomore
Avery Snodgrass- Sophomore
2nd team members- 3.87-3.75
Nikki Junco- Senior
Kelsey Gallion- Freshmen

The team for the second year in a row made 2011 Academic All-State as a team; with a combined GPA of 3.48.

3rd Quarter Perfect Attendance 2010-2011 9-12th Grade

Tracksters well on their way....

by Jill Rardon

Coach

Although the snow is still trying to hang on, it's track season! Varsity athletes have been practicing indoor and outdoor, as weather permits, and recently attended their first meet, an indoor at UCM in Warrensburg, MO. Polo competed against 25 other schools, mostly larger than us. Medalists were: Logan Dixon - 4th Long Jump, James Taylor - 4th 800 Run, Missy Cawthon - 5th Pole Vault, Amber Adams - 5th 55 Hurdles, Courtney Arthur - 6th 3200 Run. Other top ten placers were: Daniel Boruch - 7th 400 Dash, Sammie Copeland - 7th Shot Put, Monica Fickess - 9th 3200 Run, Toby Poje - 9th High Jump, Tony Utt - 9th 55 Hurdles, 4 x 200 Relay (Knutter/Amb. Adams/Ash. Adams/Snodgrass) - 7th, 4 x 200 Relay (Freeman/Pile/Parker/Dixon) - 9th.

All of our athletes are busy students with many commitments such as juggling Scholar Bowl meets and FFA contests with track practice and meets, while maintaining good grades, an impressive feat! They are an enthusiastic group who desire individual achievement, but also team success. They support each other with high fives and cheers, whether passing as they run by or getting after someone to help their relay win at practice. We are fortunate to have four coaches this year to provide instruction in specific areas. Shot put and discus throwers are coached by Bridget Zabel, middle and long distance runners by Joe Davis, and sprinters, hurdlers, and jumpers by Jill and Shane Rardon. We also have two hard-working managers, Kaylie Sorensen (Senior) and Landyn Street (Junior), who keep us all on track!

Varsity girls include Seniors Courtney Arthur and Nikki Junco, Junior Jonna Stottlemyre, Sophomores Ashley Allen, Missy Cawthon, Sammie Copeland, Monica Fickess, Amanda Gurwell, Megan Knutter, Avery Snodgrass, and Freshmen Amber Adams, Ashley Adams, Kelsey Gallion, Loren Wagner. Varsity boys include Seniors Logan Dixon and James Taylor, Juniors Justin Hazelman, Dillon James, Toby Poje, Sophomores Daniel Boruch, Alec Eggers, Zach Freeman, Brady McCaskey, Dalton Mills, Duncan Parker, Rhea Rardon, Jacob Rasmussen, Darrek Tate, Tony Utt, and Freshman Jack Pile.

Although you won't see a track meet in Polo, you're sure to see our athletes pounding the pavement. It is a struggle managing varsity and middle school athletes with the traffic around the school. The weather plays a big role in where workouts take place and without a regulation sized track, we must be creative. Hopefully, when the time is right, the community will support building a track facility for our deserving athletes. Just imagine Polo hosting the Caldwell County Relays someday!

FFA Contest Teams Doing Well

by Alex Templeton

Staff Writer

Another contest season is coming close to the end. The Polo FFA Members have been working hard all contest season to prepare themselves for districts in Maryville at the end of March. Emily Templeton, a junior competing on the Parliamentary Procedure contest, is "really excited for districts to get here." Parliamentary Procedure only has a few practice contests before districts, so Emily and the other team members have been working very hard. Carlie Powers, who is competing on the Farm Management team, has been studying extra hard in her AG class and trying really hard at the contests. "I really think we have a good shot at making it to state. If we all work really hard I know we can do it!" Among these two contests, Agronomy, Livestock Judging, Meats Judging, Forestry, Soils, FFA Knowledge, and many other contest tests will be competing in Maryville.

Update: Congratulations to the following teams who advanced from District Ag contests to the State Contests. The teams will compete at the State FFA Convention on April 14 & 15. Agronomy-finished 8th place. Avery Snodgrass, Sammie Jo Copeland, Rhea Rardon, and Brady McCaskey. FFA Knowledge-finished 7th place. Megan Henry, Alex Johnson, Kelsey Gallion, and Logan Stump. Loren Wagner will also be participating in the State FFA Chorus. Bobby Thompson, Alex

Last Chance to Buy a 2011 Yearbook

Books are now \$45 or \$50 with namestamping.

We are nearing our sales limit so hurry now to reserve your copy.

You can order online from the school website at polo.k12.mo.us

OR

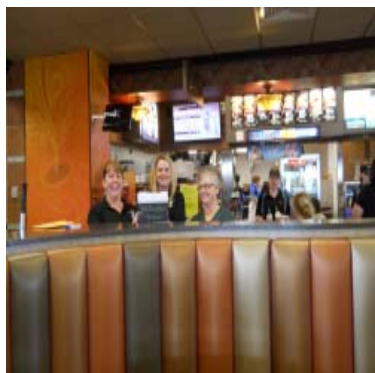

Contact Ashley Arth at artha@polo.k12.mo.us or 660-354-2524 ext 131 to place your order.

Thanks for your support.
GO PANTHERS!!

McTeacher's Night

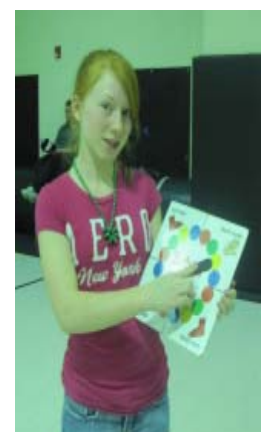

If you were hungry for McDonald's on Monday, March 21, you received a double treat! Teachers and staff members from the Polo School worked at the McDonald's restaurant in Excelsior Springs under their program, "McTeacher Night." Teachers and staff spent their evening greeting customers (Polo residents and beyond), delivering trays with meals, filling up drink cups, and delivering napkins and ketchup. When the Polo staff was not busy assisting the customers, they were wiping down the tables, taking out the trash, and sweeping/mopping the floors. All of this fun was in effort to raise money to add to the technology in the elementary school.

The Kindergarten class won the "sign up" competition and they will receive a Happy Meal Party in their room at school. The "tip" jar brought in \$148.18 and we are still waiting to hear our part of the profit from McDonald's. The teachers and staff would like to thank everyone who participated in McTeacher Night.

Family Fun Night

Polo R-VII School was packed with 106 students and parents for Family Fun Night on Thursday, March 17. Everyone gathered in the cafeteria and was split into three groups. Parents and students headed on a scavenger hunt to find their first activity. Activities involved reading and games in the Library, Twister in the Multi Purpose room, and dancing in the Gymnasium. Between each activity, the parents and students were sent on another scavenger hunt to lead them to their next activity. Following the activities, door prizes were awarded. As parents and students left for the evening, snack foods and drinks were given to all.

Severe Weather Awareness

by Kelly Green
MS Teacher

April usually brings many forms of severe weather to Western Missouri. Let's start by defining some basic weather guidelines. A Severe Thunderstorm Watch means conditions are favorable for strong thunderstorms to develop at anytime but there is not an immediate danger to your life or property, as of yet. Closely monitor the situation and be aware of sudden changes in the weather that could lead to a Severe Thunderstorm Warning. When a warning is issued, it means that a thunderstorm is producing damage by either high winds or large hail, sometimes both simultaneously.

An even more dangerous situation is when a tornado watch or warning is in effect. When a Tornado Watch is issued it means that conditions are favorable for severe thunderstorms that could lead to tornado development. This scenario should be watched very closely and you should keep a radio or television on at all times to monitor a rapidly changing situation. Finally, the greatest threat to life and property is the Tornado Warning, which means that a severe thunderstorm is likely producing a tornado that is expected to be on the ground and doing damage. When a warning is issued, you should immediately seek shelter. Even if the tornado is just outside of your area, be aware that storms often shift their track and may move toward you without notice. In some cases, new storms develop parallel to other super-cell thunderstorms and can produce a new tornado without notice. Seek shelter in a basement or interior room without windows or exposure to outside walls. Evacuate mobile homes immediately, you are better off outside in a ditch or drainage area than inside this structure. Conditions rapidly change in and around these storms so watch closely and have an emergency action plan. For more information about severe thunderstorms, guidelines for weather safety or to become a SkyWARN severe storm spotter visit the local National Weather Service office website: www.crh.noaa.gov/eax

Flooding and flash flooding is the most dangerous type of severe weather. Each year, it kills more people and causes more property damage than any other form of severe weather. Drivers often attempt to pass through moving water over the roadway and can be swept away by the rapid moving water. Automobiles can float on moving water surfaces and motorists often become trapped inside. What may look like a couple of inches of water running over the surface may actually have washed the road out from beneath. Follow one simple rule when you encounter water over the roadway: Turn Around, Don't Drown!

"SNOWCOMING ROYALTY AT POLO"

Immediately following the basketball game on February 14th against the Braymer Bobcats, the Polo High School had their coronation ceremony where Dillon Hufford and Alex Templeton were crowned King and Queen. Dillon, a senior at Polo is the son of Al Hufford and Rosamay Hufford of Polo. Alex, also a senior at Polo, is the daughter of Mark and Kim Templeton of Kingston. Other candidates included, Courtney Arthur, Kaylie Sorensen, Madison Misel, Travis Allen, Josh Lee, James Taylor, David Casey, and James Kromeich.

The Snowcoming Dance was held on Friday, March 11th.

Spelling Bee

The 2011 Spelling Bee winners for Polo R-VII School District were Tiffany Pimentel (second alternate), Matthew Vaughan (fourth place), Megan Latimer (third place), Brandon Hubbard (first alternate), Jesse Vaughan (second place) and Tristan Rardon (first place).

Four winners attended the county spelling bee, where Tristan received first place and then competed in the Regional Bee at St. Joseph.

5th and 6th grade Basketball

Getting excited about reading!!

Mrs. Noble's 1st hour reading class recently attended a Literature Festival at Rockhurst University, sponsored by the Reading Reptile. Mrs. Noble's class had previously read two books by popular author, Gennifer Choldenko. The

books, "Al Capone Does My Shirts" and "Al Capone Shines My Shoes" are award-winning historical fiction novels set in 1935 on the Island of Alcatraz, off the coast of California. The class composed an email to Ms. Choldenko and learned from her response that she was going to be in the Kansas City area. In addition to the field trip the class also hosted an Alcatraz party, using recipes from the books, and dressing up as their favorite characters from the stories.

All Math Contest Participants

This year's girl's fifth and sixth grade basketball team

consisted of Katelynn Minnis, Abby Walker, Kesley Reavis, Megan Latimer, Teagan Logan, Sierra Dye, Cheyenne Martin, Joely Hicks, Kaylee Tarwarter, Shelby Stump, Averie Heil, and Jennifer

Farmer. They worked hard and won three of their eight games. They received a trophy from Braymer and Breckenridge. Their proud coach was Randy Farmer.

The boy's fifth and sixth grade basketball team consisted of James Fleener, Michael Kerste, Dalton Frazier, Dylan Sales, Nate Minnis, John Bost, Patrick Covey, Ryan Henry, Austin Arthur, Austin Haylie, Dakota Martin, Douglas Lindaman, Zach Phillips, and Decon Brower. They were coached by Doug Lindaman. They played eight games and received trophies from Braymer and Breckenridge.

Math Contest Results

Selected fourth through eighth grade students traveled to Orrick on March 29th to participate in a Math Contest. The students were tested on geometry, problem solving and computation. All the students took two tests as an individual and the top three came together as a team for the last test. The fourth grade students that participated in the math contest were Steven Knotts, Garion Hall, Jared Robison, Dylan Brower and alternate Kallie Heil. The fifth grade students were Matt Vaughan, Megan Latimer, Teagan Logan, and Dylan Sales. Sixth grade students were Tiffany Pimentel, Shelby Stump, Averie Heil, and Garrett Thomas. The seventh grade students were Ashley Harris, Shelby Bates, Emily Fickess, Jesse Vaughan, alternates Jenna Johnson and Brittany Sheppard. The eighth grade students were Sidney Copeland, Jessica Farmer, Mason Misel and Brandon Latimer. The winners on the computation test was fourth grade students in fifth place-Jared Robinson, second place-Garion Hall and first place- Steven Knotts; fifth grade third place-Matthew Vaughan and eighth grade fifth place-Mason Misel. The winners on Geometry were fourth grade fourth place- Garion Hall, first place- Steven Knotts, fifth grade fourth place- Teagan Logan, third place- Matthew Vaughan, sixth grade fifth place- Tiffany Pimentel and eighth grade fifth place- Brandon Latimer. Also in the TEAM Problem Solving fourth grade received first place, fifth grade received fourth place, sixth grade received fourth place, seventh grade received fourth place and eighth grade received third place. Congratulations to all the students that participated! Job well done!
