## From the Elementary Office

by Beverly Deis

*Elem. Principal*

The Polo Elementary School showed their Panther Pride during Homecoming week. Some of the students chose to wear pajamas, 50's outfits, super hero wear as well as other outfits to show their school spirit.

Gloria Leamer's second grade classroom won the attendance party for the month of August. Mrs. Leamer and her students were able to enjoy an afternoon movie with popcorn. Polo R-VII School District is focusing on a target of 96% daily attendance rate and the "party" competition is part of the fun. Even with the focus on attendance, we do understand there are days when the students can't attend school because they are ill.

Our first Elementary Parental Involvement Day will be on October 4. Individual teachers have sent out invitations to the parents/guardians of their students giving specific information on the time and place. This will be a day to see the Interactive White Boards in action. If you have more than one child in school, try to visit each classroom, but also know we are planning parental involvement days for each quarter. The second quarter will focus on Reading with grades K-2 and the third quarter will focus on MAP Prep for grades 3-6. Finally, the fourth quarter will be for all grade levels K-6th with ideas on how to keep students focused on learning throughout the summer months. We hope all parents/guardians will be able to participate in one or more of our parental involvement days.

The Polo R-VII School District will be holding the fall Parent Teacher Conferences on Thursday, October 21 beginning at 1:00. School will dismiss at 11:20 on this day and notices will be sent home so parents will have the opportunity to sign up for specific times to meet with their child's teacher. I want to encourage all parents/guardians to make an appointment to visit with each teacher your child has during the week. This gives an excellent overall picture of how your child is doing at school.

The Fall Parties will be held on Friday, October 29 beginning at 1:30 for K-4 students. Parents may arrive at 1:15 if children need assistance with their costumes. The parade will begin at 1:30.

Students at Polo R-VII Elementary were given the Gates MacGinitie reading tests earlier this month. Those results combined with the STAR Reading Tests help us determine the reading grade level for each child. For more information on the Gates MacGinitie Tests or on the STAR Reading Tests, please call our reading specialist, Lori Hicks, at the school.

Again this year, the elementary students will be participating in fundraising programs. The School Mall program has already ended and we passed our goal by 15 booklets. The other fundraiser is QSP. It also involves the booklets, but with these booklets the students are able to receive TIME for Kids magazines free of charge if enough booklets are completed and returned. Last year we had enough QSP booklets turned in so all K-6 students could receive the TIME for Kids this school year. These are excellent fundraisers for our school as they do not require any purchase, even though that option is available. I do realize these fundraisers take time from your busy schedule to fill out the booklets and the staff at Polo Elementary appreciates your support with the booklets.

Mark your calendars! The Winter Program for grades K-6 has been scheduled for Tuesday, December 14, 2010 at 6:30 in the gymnasium. For Thanksgiving break, school will dismiss on Wednesday, November 24, at 11:20 and will resume the following Monday.

## K.C. Wolf Visits the Fourth Grade Classrooms

On Friday, September 17th the 4th grade classrooms were visited by K.C. Wolf, the mascot for the Kansas City Chiefs! The students were all surprised except for Jared Robison, a student in Mrs. Minnis' room. Jared had a family member who won this visit at her place of employment and donated it to the 4th grade classrooms. Jared did a good job keeping it a secret because the students were thoroughly surprised! While here, K.C. Wolf gave high-fives", hugs, signed autographs and took pictures with the students. Thank you to the Robison family for allowing the students to have such a fun afternoon with K.C. Wolf!

## FCCLA: Back in the Swing of Things

by Nick Allen  
Staff Writer

The officers for our FCCLA chapter are:

President- Carlie Powers  
Vice President- Sarah Thomas  
Secretary- Tyler Hendricks  
Treasurer- Dina Uehling  
Reporter- Austin Bowley

The chapter dues this year are \$20. On October 6, there is a Region 2 meeting and our chapter is ushering for that. The officers decided not to do the pumpkin paintings this year. They also decided to postpone selling the Red Wheel items until January or February. A new item on their agenda is helping with the Caldwell Cancer Foundation on October 23, at Stagecoach Park.

## Scooter Winner

Students in the Polo R-VII Elementary School recently conducted the School Mall booklet fundraiser. Students were able to collect and turn in 79 booklets. The elementary school will receive money for the booklets turned in and these funds are often used to help with field trips or items in classrooms. This year, the School Mall campaign consisted of a drawing for a Razor Scooter. Every booklet was placed in a huge box and Julianna Mohler's booklet was drawn as the winner. Congratulations, Julianna, we all hope you enjoy your new scooter.

## September SADD Meeting Held

SADD members met Wednesday morning, September 8, 2010 in Ms. Thrasher's room. Elected officers are as follows: President - Sarah Thomas, Vice-President - Carlie Powers, Treasurer - Hailey Thomas, Secretary - Austin Bowley. Members signed up for committees for this year's t-shirt design, Red Ribbon Week, and Arrive Alive. Members set dues at \$15 due by Monday, October 15, 2010. These dues will allow students to be members of SADD and purchase a SADD t-shirt. Meeting days/times changed to every other Monday from 3:00 - 3:15 PM in Ms. Thrasher's room (106). Our next meeting is September 27, 2010. Cookies will be provided to attendees. \*\*\*We invite everyone to join SADD. If you want to join, please contact an officer and come to our next meeting. If you'd like to be on a committee, please contact an officer. We would love as many participants as possible.\*\*\*

## Teacher Spotlight

by Alex Templeton  
Staff Writer

As one of the new additions to our classrooms, Derek Russell Kasner is a first year teacher here at Polo. While living is Saint Joseph, he attended Missouri Western State University and graduated in May. He is the assistant football and basketball coach. Derek doesn't have a favorite song, but enjoys 80s rock. Mr. Kasner's favorite food is Mexican food. If he could be anything but a high school social studies teacher, he would be a fireman. However, his favorite class to teach is Western Civilization. In his spare time, Derek Kasner enjoys playing sports, and also is a part owner of an eBay business so that keeps him busy.

## Grandparents Day Celebrated

by Nick Allen  
Staff Writer

On Monday, September 13, all classes from Kindergarten and First grade invited their grandparents as guests to celebrate Grandparents Day. The Kindergarten grandparents arrived at 2 pm and enjoyed a short program, where the classes said the Pledge of Allegiance and sang a variety of songs. After the program, the guests were invited to go back to the classrooms for refreshments. The children showed the grandparents their room, desks, and books. While the first grade classes invited their grandparents to play some games and enjoy lemonade and cookies.

## **Counselor's Corner**

### **Elementary Counseling News- By Becky Arway, School Counselor**

Throughout the month of September, students in K-6th grade discussed the character word of the month, Responsibility, during classroom guidance lessons. Students learned the meaning of the word responsibility and discussed the responsibilities they have at home, school, and in their community. To help the students continue to explore and understand the meaning of being a responsible person, here are some ideas:

- Talk with your children about responsibility. Discuss responsibilities that the child may have at home and responsibilities that you have as a parent/guardian.
- "Catch" your children making responsible choices and let them know how much it means to you that they made a responsible choice.

In the second part of September, students learned about building friendships and what it means to be a good friend. Students talked about ways to meet new friends, how to be a good friend, and how to effectively communicate with their friends. Ask your child what it means to them to be a good friend.

### **Middle School Counseling News- By Becky Arway, School Counselor**

All 8th grade students and their parents are invited to attend My Success Event on October 6, 2010 at the St. Joseph Civic Arena located in St. Joseph, Missouri. The event runs from 5:30-7:00 PM. You are welcome to come for the whole time or just part of the time. My Success Event is a hands-on career laboratory for students showcasing the businesses and careers of Northwest Missouri. Mrs. Arway will be visiting with the 8th grade students to provide additional information about the event. For more information, you can check out [www.mysucsessevent.com](http://www.mysucsessevent.com).

### **High School Counseling News- By Alan Meyer, High School Counselor**

Seniors attended a College/Career Fair at Plattsburg High School on the morning of September 22, 2010. Students were able to talk with representatives from several colleges, universities, junior colleges, career/technical, and the military to assist them on their plans for after graduation. All sophomores will attend a career fair in St. Joseph called My Success Event. Polo has been taking sophomores to this for several years as the students get to see exhibits and talk to employers about careers in the Northwest Missouri region. This is a very exciting day that our students always come home from feeling like they learned a lot of career and job information.

My Success Event is hosting a Parent Night on October 6, 2010 from 5:30-7:00 PM. Parents with students in grades 10-12 are invited to attend the event at the St. Joseph Civic Center in St. Joseph, Missouri. This is an opportunity for students and parents to participate in a unique, hands-on career laboratory allowing students to get a glimpse into the many businesses and careers that are available in Northwest Missouri. For more information, you can check out [www.mysucsessevent.com](http://www.mysucsessevent.com).

In October, Polo High School will be a Test Center for the ACT October 23, test date. Juniors will be taking the ASVAB Aptitude Test on October 11. This test shows students what careers they have the aptitude to be successful at. The ASVAB is used by the military as their main job placement instrument. College Representatives are starting to come to Polo for college visits so seniors need to watch the announcements and sign up in the counselor's office to talk with colleges they are interested in attending.

## Polo R-VII Speech-Language Therapy

Hi! My name is Kathy Hutchinson and I am the new speech-language pathologist for the Polo R-VII School District! I am very excited to be working with Panthers this year!

### FREE SPEECH AND LANGUAGE SCREENINGS

I would like to invite all children in the Polo R-VII School District to receive a free speech and language screening upon their third birthday. If your child turns three years of age ANY TIME during this school year I would like an opportunity meet with you and your child for screening. I am in district Wednesdays, Thursdays and Fridays. Please call me to schedule an appointment time for screening at 660-354-2200.

Children begin reading very early in school. It is important to identify and treat speech and language difficulties early so that children can begin to read. If we find that your child qualifies for services we can offer free therapy on an appointment basis with the district speech and language pathologist.

### HERE'S THE SCOOP!

Who, What, When, Where, Why and How.... Students in speech and language therapy are building language skills and ice cream cones! Each week we have been learning what can be a "who, what, when, where, why, and how" at home and at school. We have been "adding a scoop" to our ice cream cones each week. I'm learning about my students and they are learning about me in the process.

At the end of six weeks we will have an ice cream party (with the real stuff) and take our projects home! Please come by during parent/teacher conferences in October to take a look at our progress! Thank you to all of the parents who have helped with pictures and input from home!

## Football Highlights

by Dillon Hufford  
Staff Writer

The 2010 football season started off to be a good season. On August 27th, the Panthers took a long bus ride to square off against St. Mary's Trojans. Both teams showed up looking for a fight. Following the open kick, off the Panthers defense wouldn't allow the Trojans to gain any yards. Senior starting running back Nick Allen sets the tone for the night by scoring the first touchdown. Behind Nick was Senior starting running back Logan Dixon, who would also answer back by scoring. Nick ended the night with a total of 128 yards with 3 touchdowns. The following week, the Panthers came out of the locker room all fired up. The Panthers fought a hard battle for four quarters that night against the Hamilton Hornets but they lost. Coming off of a loss, the Panthers trained hard for the upcoming opponents, the Rockport Blue Jays. Friday night was a battle. The game was 0-0 all three quarters with an hour delay on count of weather. The game was postponed at 6-6 and was continued on Saturday to finish the fourth quarter. The game ended in a loss for the Panthers. But the Panthers changed the tone on Friday Sept. 27th when they played the King City Wildcats. The Panthers brought home a win from the road.

## Middle School Sports

### Middle School Football

Junior High Football is starting off good this year. The coaches are Kelly Green as the head coach and Jayson Erdman as the assistant coach. Coach Green has said this season is going to be a good one. He said "you can never expect perfection from a junior high team, but we'll work hard and win some games, as a team." Coach Green also has humor about this team; he said "we haven't played any games yet so they won all of them!!"(as of this interview) All the players have improved so much since the first practice and it's only been four weeks. Coach Green and Coach Erdman have picked their team captains. They selected Jacob Hicks, Wiley Martin, and Mason Misel. They picked these three players to be their captains because they are good students, well behaved and determined on the field and off the field.

### Middle School Softball

What a year so far for junior high softball! The coaches are Greg Keith and Rosemary Henry. Coach Keith said "we bring back a lot of experience from the previous year." The girls this year have done well at understanding the game. The girls have been working extremely hard this year. They are 1 for 2 so far. Coach Keith said "that the girls have improved tremendously. This is a great group of girls to coach." They placed first at the Cameron Tournament. The captains for junior high are Danielle Allen, Cati Boruch, Sidney Copeland, Jessica Farmer, Brooke Jones, Jennifer Rash, and Adriana Segar. "They are doing amazing this year and it is just the beginning."

## SADD Update

by Kasey Bolling

S.A.D.D stands for Students Against Destructive Decisions, and the Polo High School S.A.D.D group is very active. This year officers are Sarah Thomas as President, Carlie Powers as Vice President, Hailey Thomas as Treasurer and Austin Bowley as Secretary. S.A.D.D members meet every other Monday after school in room 106. Students work to help educate all school district students regarding destructive decisions and possible consequences. Most importantly, S.A.D.D members strive to help students find ways to avoid these decisions and builds good habits. Throughout the year they will be fundraising for purchases to educate students in various areas including: Red Ribbon Week (drug awareness), Arrive Alive (seatbelt usage), Tobacco Awareness, Alcohol Awareness, and Tolerance/Anti-Bullying. It sounds like this year the S.A.D.D members will be very busy. All the members are Amber Adams, Ashley Adams, Daniel Boruch, Missy Cawthon, Savannah Cline, Sammie Jo Copeland, Dylan Flowers, Zach Freeman, Kelsey Gallion, Megan Henry, Justin Hicks, Dillon James, Amy McBee, Duncan Parker, Dylan Parker, Kadee Phillips, Jack Pile, Kolton Roark, Megan Rood, Ashley Ross, Ashton Shelton, Tony Utt, Loren Wagner, Kaylie Sorensen, Josh Lee, Sarah Thomas, Carlie Powers, Hailey Thomas, Austin Bowley, Alex Gaines, Dylan Misel, Haley Harrison, Landyn Street, Dina Uehling, Emma Tormey, Katie Garrett, Monica Fickess, Kasey Bolling, Linda Mynatt, Ashley Allen, Brady McCaskey, Kara Frisch, Jacob Rasmussen, and Logan Bolling.

## **MEET THE MASS MEDIA STAFF**

My name is Alex Templeton. My parents are Mark and Kim Templeton. During my senior year, I am involved in NHS, FBLA, FFA, basketball, cheerleading, and track. Outside of school, I like to ride horses and hang out with my best friend and sister, Emily Templeton. After I graduate, I plan on attending the University of Missouri in Columbia. My major is undecided.

My name is Dillon Hufford. I am the son of Al and Rosamay Hufford. I am a senior here at Polo High School. I am involved in basketball, football, track, SADD, FFA, FBLA, FCCLA, and Mass Media. In my spare time, I enjoy hanging out with friends, fishing, hunting, going mudding in my truck, and spending time with my family. My future plans include the possibility of playing college basketball.

My name is Conagher Glasgow. I am senior at Polo High School. I am the son of Ken and Paula Glasgow. Activities I participate in and organizations I belong to are FFA, football, and wrestling. My future plans after high school is to enlist in the Army.

My name is Nick Allen. My parents are Tim Allen and Mechelle Thompson. I go to school here at Polo High School. I am involved in football, basketball, track, FBLA, SADD, FFA, and FCCLA. Some things I do in my spare time are fish, hang out with friends, play some video games, and go mudding in my friends truck. After I graduate, I plan on going to college at Missouri Western State University in St. Joseph, Missouri. I plan on majoring in criminal justice.

My name is Jonna Stottlemyre. I'm a junior and the daughter of Tod and Lesa Stottlemyre. While in high school, I have participated in many extracurricular activities such as softball, cheerleading, basketball, color guard, NHS, and track. In my spare time, I play card games with my family and watch movies. I am obsessed with zebras and peanut butter.

My name is Kasey Bolling. I am the daughter of Glen and Lisa Bolling. I go to Polo High School. I am a sophomore. I am involved in football, basketball, SADD, FBLA and Mass Media. I love to hang out with friends, go shopping, and spend time with my family. My future dream is to become a journalist and go to Northwest Missouri State University.

### **NHS Update**

by Jonna Stottlemyre  
Staff Writer

Tuesday September 7th was the first late start day of the 2010-2011 school year! National Honor Society members met at 10 a.m. to discuss the upcoming year. Sponsor Mrs. Sarah Davies watched over the nominations. The new NHS officers are President Alex Templeton, Vice President Nikki Junco, Secretary Sarah Thomas, Treasurer Madison Misel and Reporter Jonna Stottlemyre. Other members of NHS include Dillon James and Emily Templeton. One of the duties of the chapter is to help the local veterans put up and take down the flags around town on holidays. September 11th was the first day NHS members had the opportunity to help. Throughout the year, NHS members will be helping the veterans and serving the community through service projects.

## Homecoming Festivities - Fun was had by all!

by Alex Templeton  
Staff Writer

On September 24 and 25, the 2010 homecoming festivities took place. Not only are there games held in the school, but homecoming is also like a reunion. Polo alumni from every year came to watch the Panthers face the Albany Warriors. Senior football captain Logan Dixon said at the bonfire that "homecoming is more than just a football game."

Every year, students compete in competitions to win the spirit stick. This year, however, things are a little different. The week of homecoming students dressed up for the spirit days. Monday was pajama day, Tuesday was super hero day, Wednesday was ugly dress/tie day, Thursday decade day (seniors and juniors dress up in 80's gear, sophomores and freshman dress up in 70's attire, and seventh and eighth graders are to wear their best 60's get up) and Friday was green and white day as always. Each class got points for every sponsor and student that dressed up and participated in the games.

Instead of decorating hallways, this year, each class decorated fourteen sidewalk squares in front of the school and decorated sheets that were hung up for the homecoming game. The last new tradition was a canned food drive. Each class was challenged to gather the most canned goods, which were all donated to the local food pantry.

This year the homecoming queen and king candidates were as follows: Alex Templeton and Logan Dixon, Nikki Junco and Nick Allen, Madison Misel and Jeff King. Underclassmen attendants were juniors Megan LaMarr and Austin Bowley, sophomores were Sammie Jo Copeland and Daniel Boruch and freshmen were Amber Adams and Blake Bates.

On Friday night, the pep assembly was held. In the gym, cheerleaders performed cheers, the students played various games and the classes competed against each other still in hopes of winning the spirit stick. Outside at the bonfire, the coaches gave speeches and the seniors spoke about how much their senior year meant to them. The next day was the parade. Every class had a certain theme to base their floats on. seniors had The Hulk, juniors had The Pink Panther, sophomores had Tom and Jerry, and the freshman had Popeye. The sophomores won the float competition.

Saturday morning from 7-11am a community breakfast was provided by the Foundation. This was a chance for everybody to come and support the team and tell them good luck for the big game. Even though it was sprinkling and freezing, Panther fans still came out and supported the team. The game against Albany turned out great for the Panthers. The final score was 61-6, with a Panther victory. The king Nick Allen and queen Nikki Junco were announced at half time of the game and crowned by last year's king Lance Snodgrass and queen Karlie Schafer.

## Softball Recap

by Jonna Stottlemire  
Staff Writer

This year is the fourth year for Varsity softball here at Polo High School. Coach Becky Ross has once again come returned as the head coach, but has new help from elementary P.E specialist Bridget Zabel. Both coaches have high hopes and expectations for the team. Over the summer, the Lady Panthers worked hard at camp, lifted weights and participated in summer league. Although being a young team, the ladies know what their responsibilities are as a team in order to retain the titles District and Sectional Champions.

To start of the season right the first game of the season was played at home. As the Panthers fought their first game jitters, it was not enough to overthrow the Norborne Pirates with an ending score of 11-2. After coming off the first season loss, the Lady Panthers were excited to come back and fight hard against the Lathrop Mules. The Panthers knew that their defense would have to be spectacular and they would have to rally the bats in order to defeat the Mules. The girls never gave up but the game ended with a close loss of 7-4. That weekend, the Lady Panthers participated in the Cameron Softball Tournament, where they played Leblond, Cameron, Maysville, and Richmond. The ladies played hard, had errors but learned from their mistakes.

On August 31st, the Lady Panthers were on the road to Stanberry, hoping to get their first conference win. Although defensively and offensively the Panthers struggled, putting the spirits of the players low, the final score was 9-2 with Stanberry on top. Coming off of a devastating loss, the girls knew that they needed to win their next game. Again on the road, the Lady Panthers were ready to play the Worth County Tigers. The ladies started off great with a 7-0 lead in the third inning. Worth County began to rally soon after and gave the Lady Panthers a run for "their money". Coming from behind, the score became 7-6. The Panthers began to "smell blood" and knew that this game was not over. The ladies kicked it in gear, rallied the bats, had good base running and had good defense. The final score came with the Panthers on top 16-7.

The next week the Lady Panthers were hoping to get a home win against Stet. The ladies played in the cold, wet weather and from beginning to end the Panthers were on fire. With the final score of 13-3, the Panthers got their first home win and were ecstatic! Due to weather, the annual Polo Softball Tournament was cancelled. The next game played was September 13th at home versus the Albany Warriors. The Panthers were pumped and ready to go. They battled until the last call was made, although it was not enough to win the game. The Lady Panthers were devastated with the loss of 3-4.

The next game the Lady Panthers played was against the Princeton Tigers. Unfortunately, the ladies made mistake after mistake and could not get it together, losing the game with the score of 3-9. On September 18th, the Lady Panthers traveled to Trenton for the NCMC Tournament. The team knew that the games would not be a walk in the park! The Panthers battled but it was not enough to win the tournament. The ladies might be a young team but they are mighty. The Lady Panthers would like to thank all the parents, students and football players for coming and supporting them.
