Polo Scholar Bowl goes 1-1 at Albany

Submitted Article

The Polo Scholar Bowl team traveled to Albany last Monday, March 2, to compete in their first Varsity and JV Scholar Bowl matches for the 2015 season. Polo fell short to Albany in their first Conference match-up 270-210. Polo played Gallatin next and beat the Bulldogs in a nail biter 210-200. High scorers for Polo were junior Jesse Vaughn with 140 points and senior and team captain, Mason Misel with 120 team points. The Panthers are now 1 - 1 in GRC Conference matches. Polo will host Braymer, Stanberry and Princeton, Monday, March 9, at 4 PM.

April Fool's Day

By: Stormy Farmer

Do you like playing jokes on your friends? April Fool's Day is the day for that, you can do practical jokes on all your friends. The origin of April Fool's Day is from 1582, the time France adopted Gregorian calendar. April Fool's Day originated in France. Doing that shifted New Years Day from the end of March to the beginning of January. April Fool's Day is fun for almost anyone except the person getting the jokes played on them.

There are many jokes you can play on your friends. One is "Got Milk," if you have milk in a cardboard container you can add food coloring to it and it's harmless. Another April Fool's Day joke is, "April Showers." If you have a sink sprayer, put a rubber band or hair tie around the nozzle and when someone turns the water on it sprays them. The last April Fool's Day joke is called "Spare Change." You super glue coins to the side walk and you can watch people break their fingernails over trying to pick them up.

I asked Billie Thompson and Zack Phillips a question about April Fool's Day. I asked Billie, "Have you ever been tricked on April Fool's Day? If so how?" She said, "Yes, I was in 3rd grade and a friend of mine pretended they broke their arm." I then asked Zack, "How would you feel if you were fooled by your dearest friends?" He said, "I would cry."

Hey, Hey, What-Do-Ya-Say FFA

By: Jessica Farmer

Polo America is huge on FFA and everything is getting started back up once again. Contest season has begun and it has been a whirlwind. When the Polo FFA group leaves for an event, the halls are empty!! I spoke with a few students from the FFA and got their insight of the year so far.

Contest season is going on and each team has already competed at Brunswick, Marshall, Trenton, and Lathrop. The more practice everyone gets, the better they all will be. I spoke with Austin McKinzie who is on the Meats Team and had a few questions for him. I asked him how well his contest team will do this year and he said, "We will have to see how Districts will go and he is totally going to be the high individual!" He loves FFA and is very outgoing when it comes to meeting new people.

I spoke with Sidney Copeland who is the president of the FFA Chapter and asked her about the challenges that has been brought to her from her officer position. She said that it is really fun to be in a position of the chapter but organizing and holding the meetings is a bit challenging.

Like every year, the FFA Chapter is always very successful and quite a few team move on to state! We will have to see what happens in districts for each team (Public Speaking, Floriculture, Meats, Agronomy, Knowledge, Livestock, Forestry, Soils, Dairy Foods, Dairy Cattle, Farm Management, and Horses) and good luck at state to those who move on!

Do's and Don'ts of Prom

By: Montanna Heil

Prom is one of the biggest events in high school and while there are ways it could go great, there are also a lot of ways it could turn into a disaster. There is typically a lot of time and money put into planning prom between figuring out where you're eating, what you're wearing, the vehicle you're taking, and even the group you are going with if any. Prom can put a lot of stress on people and cause some issues.

I asked Jake Leonard and Eric Williams what they thought were some do's and don'ts of prom. Jake said, "Do not do drugs before, during or after prom. Do not bring alcoholic beverages to prom or be intoxicated during prom." Eric answered, "Don't spike the punch or grind on each other. Generally, as in most of life, don't be stupid. But also don't care what others think. But do go have fun, dance a lot and be awesome."

Prom is supposed to be a night full of fun and great times. This year try and make sure your memories are good by making good choices! Make sure you have everything planned out and do not do it last minute because I promise that you'll regret it!

Varsity Scholar Bowl

By: Brooke Jones

The Varsity Scholar Bowl Team has been very successful over the years and is looking for an even better outcome this year. The last 3 years the Polo Scholar Bowl Team has made it to state. Kim Snodgrass is the coach and they practice nearly every day during the week to come out on top at the end. They are putting in hard work so it pays off when it is most needed.

Mason Misel has been a part of the scholar bowl team for the last three years when they went to state, all these years. I asked Mason about how the season is going so far, he said, "We are 2-4, but we are only losing by 1 to 2 questions almost every time. I am really proud!" Since Mason has been busy working so hard to go to state and knows what it is like to be a part of a team that has excelled some much the last three years, I asked him what it has been like. Mason responded, "It has been great! We have made it to state every year, and I am the only player that has been all these years. I love Scholar Bowl!"

Moira Hays has been on the Varsity Scholar Bowl Team the last two years. She got to experience going to state as a freshman. I asked her what her favorite part of being on the Scholar Bowl Team is and she said, "Making my useless facts useful." Moira knows what it takes to be successful. I asked what meet she was looking forward to competing in the most this year. She responded with, "I want to go to state again and hopefully win!"

The Scholar Bowl Team still had a lot of season left. They have more conference meets and districts will be in the middle of April. The team is very excited and is looking forward to seeing what the rest of their season brings them.

Middle School Track

By: Aerial Eggers

The Middle School track team is ready to kick off the 2015 track season. 27 7th and 8th graders make up this year's team. Mrs. Fickess said, "the most special thing about her team is the amount of 7th graders that went out for track and that the 8th graders have really stepped up to be leaders." Coach Hixon and Mrs. Fickess are the middle school track coaches. The team's first meet is at Norborne at 4:00 p.m. Come out to support your Polo Panthers!

Polo After Prom Fundraiser DodgeBall Tournament

Polo Book Fair

By: Autumn Burton

The Polo Book Fair was hosted by PTO of March 9-13th. This year individuals were able to donate money raised in Dalton Rardon's memory. The Book Fair was able to purchase 61 books in his honor. Some of the books were donated to the Polo school library and the businesses around town. PTO does not take profit in cash; instead they use credit to buy books. The PTO donated 394 books to the elementary teachers. Every year, Polo has a Family Night at the book fair. It's a good opportunity to get to spend time with a loved one and settle in on a good book! Mrs. Leigh Ann Vaughan told me that family night was a lot of fun, with games, a seahorse craft, representatives from the "Yes" committee, snacks, Clifford the big red dog, and of course book shopping! Polo Book Fair also had a seaweed eating contest. Mr. Ross, Mr. Wilburn, Sidney Copeland, and Adriana Segar participated in the contest. Adriana Segar won the contest. To help out the book fair this year, NHS had 11 kids that helped. Mrs. Leigh Ann Vaughan tells us she loves working with the kids and getting to know her kids classmates and peers. She also tells us, "Hosting the book fair is a lot of work, but helping put books in kids hands makes it all worth it!" A Book Fair is hosted normally to get children excited about reading or inspired to start reading. The book fair is also a great time to bond with your child. If you missed the book fair this year don't worry another great book fair will be next year. Look forward to seeing you there!

Back at It

By Jennifer Adams

While it is getting close to the end of the year, not everything has come to an end. In fact, cheerleading is getting started back up. Middle school and high school girls had the chance to practice, tryout, and make the new basketball or football cheerleading teams for the 2015-2016 school year. On Sunday, March 22nd, there was a practice that girls had the option of attending. It was mostly to get them familiar with what cheerleading consists of and to practice the basics. On March 23rd, there was a mandatory tryout for girls to show their skills and what they have learned. On March 25th, there was one last tryout for the girls to attend in hopes of making the squad.

I asked a senior cheerleader, Skylar Howe, "what proves that cheerleading is a sport", and she replied with, "Because we work as hard as everyone else. We have practices and depending on the squad, compete, which qualifies cheerleading as a sport." I also asked Danielle Allen if she preferred basketball or football cheerleading, and she said, "Football cheerleading. The crowd is always loud and it helps me get pumped up during the game."

So, next year if you're wondering whether or not you should become a cheerleader, you can go to the practices and see what it is all about. If you like it, you can give the tryout a go!

Varsity On the Run

By: Lisa Tackett

The varsity track had many come back this year from last year along with many more starting out this year. There are several freshman that joined track this year. The track season started out actually in February with conditioning. It was open for middle school and high school, but it was mainly high school that participated in the conditioning. Practice officially started March 3rd, 2015. The varsity team had their first meet March 26th at Richmond. Their second one was March 30th, 2015. They have 8 track meets before districts in May. Districts are May 9th, Sectionals are May 16th, then State is held in Jefferson City May 22nd-23rd.

After Prom Fundraisers

By: Averie Heil

Throughout the month of March the After Prom committee has been raising money to help pay for the activities that take place at After Prom! Two of the large events that have taken place were the annual After Prom Dodgeball tournament and the annual After Prom Spaghetti dinner and auction. Parents of the students in the Junior and Senior class have taken time out of their lives to help put on these events to provide the students with a safe environment for after prom. The After Prom committee consists of Denise Heil, Denise Boruch, Penny Copeland, Allison Smith, Suzanne Leamer, Sundee Harris, Jamey Aubrey, Renee Fickess, and Nicci Jones. All of the members have taken time to help put on these events for all the Juniors, Seniors, and their dates to enjoy their fun filled night and win prizes.

The annual After Prom Dodgeball tournament was held on Friday, March 20th in the Polo High School gymnasium. There were a total of ten teams that participated in the tournament. The championship team was Dressed to Dodge with a record of 8-1. The championship team won free shirts from the annual tournament along with the best dressed team which was the Dodge Fathers. Each team was guaranteed five games. The following teams participated in the tournament Dressed to Dodge, My Balls Your Face, The Blue Ballers, Mon Stars, Royal Winners, Chocolate Sensation, 7th Grade Ballers, Dodge Fathers, Blue Angles, and You Know You Wanna Hit This. On Saturday, March 28th the annual After Prom Spaghetti dinner and auction was held at the Prairie Ridge Church. The event had a fantastic turnout with approximately thirty-five businesses and people who donated items that were auctioned off. A total of approximately forty-four items were sold. All After Prom committee members helped put on these events to provide After Prom as an event for the students to have fun and be safe!

FBLA By Matthew Ham

FBLA was founded in 1940 in Columbia University in New York City. And now we have an FBLA group here at Polo and Mrs. Arth is the director over FBLA. This year FBLA went to District Leadership Conference. The State Leadership Conference will be held on April 12th and the 14th. At State they will be attending opening sessions on Sunday April 12th, 2015. We will also be in the workshops on Monday April 13th, Springfield Cardinals game Monday night, and have closing session with awards on Tuesday April 14th.

The FBLA once again held its annual Senior Citizens Prom on Saturday, March 21. There were approximately 65 in attendance. The theme was Once Upon A Time. The King was John Foley and Queen was Maxine Hicks. The meal provided by Samara Wormsley and Lynette Zinna included Roast Beef with potatoes and carrots, pulled pork, lamb kabob, peas, baked beans, cottage cheese, apple salad and hot rolls. The members provided the desserts. The silent auction had plenty of goodies to bid on. A fabulous time was had by all. Also had a Secret Santa, and adopt a family for Christmas. FBLA went down to the Crown Center and sold valentines.

Father/Daughter Dance

By: Cheyenne Parker

On March 19th, there was a father daughter dance in the multipurpose room. The dance is held by PTO. The dance started at 6:00pm and didn't end until 7:30pm.

There were so many little girls excited to go to the dance. If your little girl doesn't have a father to go with, that's fine, go with your uncle or a family friend. There are tons of girls that don't go with their father. I talked to a couple of girls that went to the dance and they seemed very excited to get to go to the dance. First, I talked to Emersyn Parker and she sounded excited to be going with her uncle. She said "I'm going to be wearing a flowery dress with sandals". Then I asked Gracie Arth what she was going to be wearing to the dance. She said "I'm wearing a John Deere dress and boots". She seemed very excited about getting to go the dance.

If you weren't able to make it to the dance then hopefully you can make it next year!
